COMMENTS ON THE REASONS FOR ALLOWANCE
UNDER 37 CFR § 1.104(e)

S I R:

Under 37 CFR § 1.104(e), Applicant respectfully submits comments on the reasons for allowability and requests appropriate correction. It is apparent that the "Supplemental Notice of Allowability" mailed on November 18, 2004 contains a typographical error on page 2 of the "Supplemental Detailed Action." Specifically, under the "Allowable Subject Matter" heading the Examiner stated:

The following is a statement of reasons for the indication of allowable subject matter: The **prior art disclose** a system for providing material comprising:

- a printed matter;
- a first and a second controller;
- a display unit; and
- having the functions and characteristics as recited in claim 168 (November 18, 2004

Supplemental Detailed Action, page 2,

The Examiner will undoubtedly realize that the paragraph
should read "the prior art **fails to disclose** a system for
providing material comprising..."
